- 10. RIGHT TO REJECT BIDS:** The County reserves the right to reject any or all bids and to waive informalities. No bids will be received after the time set for opening bids. Any unauthorized conditions, limitations or provisions attached to the bid, except as provided herein, will render it informal and may cause its rejection. Any Bidder may withdraw his/her bid, either personally or by telegraphic or written request, at any time prior to the scheduled closing time for receipt of bids. Telegraphic or written requests for withdrawal must be in the possession of the County prior to the closing time for receipt of bids.

16. BID OPENING: Bids will be opened in public and read aloud. All Bidders are requested to be present at the opening.

17. DETERMINATION OF SUCCESSFUL BIDDER: Fulton County desires to complete this work in a timely manner. The Contract will be awarded to the lowest responsive, responsible Bidder(s), if awarded.

1) **Responsibility:** The determination of the Bidder's responsibility will be made by the County based on whether the Bidder meets the following minimum requirements:

- a) The County reserves the right to reject any bid if the evidence submitted by, or investigation of, the Bidder fails to satisfy the County that he/she is properly qualified to carry out the obligations of the Contract
- b) Maintains a permanent place of business individually or in conjunction with the prime Contractor
- c) Has the appropriate and adequate technical experience. Designated Project Manager must be proficient in all aspects of contracted work
- d) Has adequate personnel and equipment to do the work expeditiously
- e) Has suitable financial means to meet obligations incidental to the work

2) **Responsiveness:** The determination of responsiveness will be made by the County based on a consideration of whether the Bidder has submitted a complete Bid form without irregularities, excisions, special conditions, or alternative bids for any item unless specifically requested in the Bid form.

18. NOTICE OF AWARD OF CONTRACT: As soon as possible, and within sixty (60) days after receipt of bids, the County shall notify the successful Bidder of the Award of Contract.

The award shall be made by the Board of Commissioners of Fulton County to the lowest responsive, responsible Bidder(s) as soon as possible after receipt of bids, taking into consideration price and the responsiveness to the requirements set forth in the Invitation for Bid. In such case, no claim shall be made by the selected Contractor(s) for loss of profit if the contract is not awarded or awarded for less work than is indicated and for less than the amount of his bid. The total of the awarded contract shall not exceed the available funds allocated for this project.

Should the County require additional time to award the contract, the time may be extended by mutual agreement between the County and the successful Bidder. If an Award of Contract has not been made within sixty (60) days from the bid date or within the extension

mutually agreed upon, the Bidder may withdraw the bid without further liability on the part of either party.

Any award made by the Board of Commissioners as a result of this bid will begin from the date of the notice to proceed. The Bidder agrees hereby to commence work under this Contract, with adequate personnel and equipment, on a date to be specified in a written order of the Program Manager. The contract shall become effective on the Contract Date and shall continue in effect until the end of the term of the contract or until the project has been closed-out by the User Department unless earlier terminated pursuant to the termination provisions of the contract.

- 19. BASIS OF AWARD:** The Contract, if awarded, will be awarded on a lump sum basis to the lowest responsive and responsible Bidder. No bid may be withdrawn for a period of sixty (60) days after the date of Bid opening except as permitted by O.C.G.A., §36-91-41 et seq., as amended. Each bid must be accompanied by a Bid Bond in accordance with the Bid Bond Requirements provided in the Contract Documents, on a Surety Company's Standard Bid Bond Form acceptable to the County in an amount no less than five percent (5%) of the amount bid. The successful Bidder will be required to furnish a Performance Bond and Payment Bond, **on or before** the issuance of Notice to Proceed, each in the amount of 100% of the Contract Amount. All other required Contract Documents must be fully completed and executed by the Contractor and his/her Surety, and submitted to the Owner **on or before** the issuance of the Notice to Proceed.

- 20. EXECUTION OF CONTRACT DOCUMENTS:** Upon notification of Award of Contract, the County shall furnish the Contractor the conformed copies of Contract Documents for execution by the Contractor and Contractor's surety.

Within fifteen (15) days after receipt the Contractor shall return all the documents properly executed by the Contractor and the Contractor's surety. Attached to each document shall be an original power-of-attorney for the person executing the bonds for the surety and certificates of insurance for the required insurance coverage.

After receipt of the documents executed by the Contractor and his surety with the power-of-attorney and certificates of insurance, the County shall complete the execution of the documents. Distribution of the completed documents will be made upon completion.

Should the contractor and/or surety fail to execute the documents within the time specified; the County shall have the right to proceed on the Bid Bond accompanying the bid.

If the County fails to execute the documents within the time limit specified, the Contractor shall have the right to withdraw the Contractor's bid without penalty.

Should an extension of any of the time limits stated above be required, this shall be done only by mutual agreement between both parties.

Any agreement or contract resulting from the acceptance of a bid shall be on a County approved document form. The County reserves the right to reject any agreement that does not conform to the Invitation for Bid and any County requirements for agreements and contracts. The County reserves the right to modify the agreement resulting from this bid upon the recommendation of the County Attorney.

- 21. JOINT VENTURE:** Any Bidder intending to respond to this solicitation as a Joint Venture must submit an executed Joint Venture agreement with its offer. The agreement must designate those persons or entities authorized to execute documents or otherwise bind the

Joint Venture in all transactions with Fulton County, or accompanied by a document, binding upon the Joint Venture and its constituent members, making such designation. Offers from Joint Ventures that do not include these documents will be rejected as being non-responsive.

22. CONTRACTORS COMPLIANCE WITH ALL ASSURANCES AND/OR PROMISES MADE IN RESPONSE TO PROCUREMENT:

Should any Bidder submit a response to the County promising to provide a certain level of service for either the scope of work, MFBE participation, or any other matter, including where such promise or assurance is greater than what is required by the procurement documents, and should this response containing the promise or assurance be accepted by the County and made a part of the Contract Documents, then this degree or level of service promised by the Bidder relating to the scope of work, MFBE participation, or other matter shall be considered to be a material part of the Agreement between the Bidder and the County, such that the Bidder's failure to provide the agreed upon degree or level of service or participation shall be a material breach of the Agreement giving the County just cause to terminate the Agreement for cause, pursuant to the General Conditions of the Agreement.

23. MINIMUM PARTICIPATION OF REQUIREMENTS FOR PRIME CONTRACTORS

Pursuant to Fulton Code section 102-357, the prime contractor or vendor for this project or contract actually perform no less than fifty-one percent (51%) of the scope of work of the prime contract.

Construction contracts are exempt from the requirements of this section.

10. A Bidder may submit only one (1) Bid response for each specific Bid solicitation unless otherwise authorized in the specifications.

14. Unless clearly shown as "no substitute" or words to that effect, any items in this Invitation to Bid which have been identified, described or referenced by a brand name or trade name are for reference only. Such identification is intended to be descriptive but not restrictive, and is to indicate the general quality and characteristics of products that may be offered. Each bid item must be individually identified as to whether it is a specified item or an equivalent item by typing or printing after the item(s): The brand name; model or manufacturer's number, or identification regularly used in the trade. Deviations from the specifications must be clearly and fully listed on the Bid sheet, including photographs or cuts, specifications, and dimensions of the proposed "alternate". 15. Item(s) bid must be complete and ready to operate. No obvious omissions of components or necessary parts shall be made even though the specifications may not detail or mention them. Unit(s) must be furnished with factory installed equipment and must be comparable with the basic form, fit, and functional requirements which are all to be included in the base price as well as any other equipment included as standard by the manufacturer or generally provided to the buying public.

16. All successful Bidders must assume full responsibility for all item(s) damaged prior to F.O.B. Destination delivery and agree to hold harmless Fulton County of all responsibility for prosecuting damage claims.
17. All successful Bidders must assume full responsibility for replacement of all defective or damaged goods within thirty (30) days of notice by Fulton County of such defect or damage.
18. All successful Bidders must assume full responsibility for providing or ensuring warranty service on any and all items including goods, materials, or equipment provided to the County with warranty coverage. If a successful Bidder is not the manufacturer, all manufacturers' warranties must be passed through to Fulton County. The Bidder and not Fulton County is responsible for contacting the manufacturer of the warranty service provided during the warranty period and supervising the completion of the warranty service to the satisfaction of Fulton County.
19. As a successful Bidder providing any equipment which requires fitting and assembly, the Bidder shall be solely responsible for such installation being performed by a manufacturer's authorized or approved servicer or an experienced worker, utilizing workmanship of the highest caliber. The Bidder must verify all dimensions at the site, shall be responsible for their correctness, and shall be responsible for the availability of replacement parts when specified in writing by Fulton County in the specifications, purchase order, or other contract.
20. A successful Bidder is solely responsible for disposing of all wrappings, crating, and other disposable material upon deliver of item(s).
21. In instances where a Bidder has never supplied such goods, material, equipment, or services before, the Bidder must submit with the Bid response a statement and supporting documentation demonstrating such expertise, knowledge, or experience to establish the Bidder as a responsible Bidder, capable of meeting the Bid requirements should an award be made. No exceptions to this provision will be made unless authorized in the Bid specifications.
22. Bidders may be required to furnish evidence that they maintain permanent places of business of a type and nature compatible with their Bid proposal, and are in all respects competent and eligible Vendors to fulfill the terms of the specifications. Fulton County may make such investigations as it deems necessary to determine the ability of the Bidder to perform such work, and reserves the right to reject any Bidder if evidence fails to indicate that the Bidder is qualified to carry out the obligation of the Contract and to complete the work satisfactorily.
23. All Bidders must comply with all Fulton County Purchasing laws, policies, and procedures, non-discrimination in contracting and procurement ordinances, and relevant state and federal laws including but not limited to compliance with EEOC hiring guidelines and requirements under the Americans with Disabilities Act. Successful Bidder must obtain all permits, licenses, and inspections as required and

furnish all labor, materials, insurance, equipment, tools, supervision, and incidentals necessary to accomplish the work in these specifications.

24. If a successful Bidder is unable or unwilling to enter into a contract with Fulton County subsequent to being granted an award, or who fails to perform in accordance with the Bid specifications the Bidder will be subject to damages and all other relief allowed by law.
25. Successful Bidders contract directly with Fulton County and are the party or parties obligated to perform. Contracts may not be assigned and any failure to perform the contract in accordance with the specifications will constitute a breach of Contract and may result in a Bidder being found to be "non-responsive" in the future.
26. In case of default by the successful Bidder, Fulton County may procure the articles for services from another source and hold the successful Bidder responsible for any resulting excess cost.
27. The County may award any bid in whole or in part to one (1) or more Vendors or reject all bids and/or waive any technicalities if it is in the best interests of the County to do so. In the event that all bids are not rejected, bids for items including goods, materials, equipment, and services will be awarded to the lowest "responsible" Bidder(s) as determined by Fulton County. Submitting the lowest bid, as published at the Bid opening, does not constitute an award or the mutual expectation of an award of a contract and purchase order. For purposes of this notice and the attached Bid sheets, a purchase order is a Contract to provide items including goods, materials, equipment, and services and is intended to have the full force and effect of a contract. A breach of the terms and conditions of a purchase order constitutes a breach of contract.
28. Bids for projects that are solicited pursuant to the Georgia Local Government Public Works Construction Law (O.C.G.A. § 36-91-1 et seq.) may withdrawn as follows:

Competitive sealed Bids ("Bid") may not be revoked or withdrawn until sixty (60) days after the time set by the governmental entity for opening of bids. At the end of this time period, the bid will cease to be valid, unless the Bidder provides written notice to the County prior to the scheduled expiration date that the bid will be extended for a time period specified by the County.
29. In the evaluation of the bids, any award will be subject to the bid being:
 - A. Compliant to the specification – meets form, fit, and function requirements stated or implied in the specification
 - B. Lowest cost to the County over projected useful life
 - C. Administratively Compliant – Including all required bonds, insurance, established quality of work and general reputation, financial responsibility, relevant experience, and related criteria
30. All bids submitted to Fulton County are subject to the Georgia "Open Records Act", Official Code of Georgia, Annotated (O.C.G.A.) §50-18-70 et seq.
31. The apparent silence of this specification, and any supplement thereto, as to details, of the omission from it of a detailed description concerning any point, will be regarded as meaning only the best commercial practices are to prevail. Only materials of the highest quality, correct type, size, and design are to be used. All interpretations of

this specification will be made upon the basis of this statement, with Fulton County interpretation to prevail.

32. It is the policy of Fulton County that the evaluation and award process for County contracts shall be free from both actual and perceived impropriety, and that contacts between potential Vendors and County officials, elected officials and staff regarding pending awards of County contracts shall be prohibited.
 - A. CERTIFICATION REGARDING DEBARMENT

- (1) The Offeror certifies that neither it or its subcontractors is presently debarred, suspended, proposed for debarment, declared ineligible, or otherwise excluded from doing business with any government agency. Any such exclusion may cause prohibition of your firm from participating in any procurement by the Fulton County Government.
- (1) If the Offeror is unable to certify to any of the statements in this certification, such Offeror or subcontractor shall attach an explanation to this bid.

INSTRUCTIONS FOR CERTIFICATION

By signing and submitting this certification, the Offeror is providing the certification set out below:

- (1) The certification in this clause is a material representation of fact upon which reliance will be placed. If it is later determined that the prospective vendor knowingly rendered a false certification, the Purchasing Agent may pursue all available remedies, including suspension and/or debarment, for withdrawal of award or termination of a contract.
- (2) The prospective Offeror shall provide immediate written notice to the Purchasing Agent if at anytime the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
- (3) Offeror shall be under a continuing duty to immediately inform the Purchasing Agent in writing of any changes, if as a result of such changes, the Offeror certification regarding debarment is affected.

DEBARMENT ORDINANCE

The following Section 2-322 of Fulton County Code of Laws establishes the procedure for the debarment of contractors.

(a) Authority to suspend.

After reasonable notice to the entity involved and reasonable opportunity for that entity to be heard, the Purchasing Agent, after consultation with user department, the County Manager and the County Attorney shall have the authority to suspend an entity for cause from consideration for award of County contracts. As used in this section, the term entity means any business entity, individual, firm, Contractor, subcontractor or business corporation, partnership, limited liability corporation, firm, Contractor, subcontractor or business structured; provided, further, that any such entity shall also be subject to suspension under this section if any of its constituents, members, subcontractors at any tier of such entity's and the entity, or any constituent or member, knew or should have known of the commission of the act. The suspension shall be for a period not to exceed three (3) years unless cause is based on a felony conviction for an offense related or associated with fraudulent contracting or misappropriation of funds wherein the suspension shall not exceed seven (7) years.

(b) Causes for Suspension. The causes for suspension include:

- 1) Conviction for commission of a criminal offense as an incident to obtain or attempting to obtain a public or private contract or subcontract, or in performance of such contract or subcontract;
- 2) Conviction of state or federal statutes of embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property or other offense indicating a lack of business integrity or business honesty which currently, seriously and directly affects

responsibility as a County Contractor.

- 3) Conviction of state or federal anti-trust statutes arising out of the solicitation and submission of bids;
- 4) Violation of contract provisions, as set forth below, of a character which is regarded by the Purchasing Agent to be so serious as to justify suspension action:
 - a. Failure to perform in accordance with the specifications within a time limit provided in a County contract;
 - b. A recent record of failure to perform or unsatisfactory performance in accordance with the terms of one or more contracts; provided, that failure to perform or unsatisfactory performance caused by acts beyond the control of the contractor shall not be considered to be a basis for suspension;
 - c. Material representation of the composition of the ownership or workforce or business entity certified to the County as a minority business enterprise; or
 - d. Falsification of any documents.
- 5) For violation of the ethical standards set forth in Fulton County Code Chapter 9, Code of Ethics.
- 6) Knowing misrepresentation to the County, of the use which a majority owned Contractor intends to make a minority business enterprise (a business entity at least 51 percent of which is owned and controlled by minority persons, as defined in Fulton County Code Chapter 6, Article B, Minority Business Enterprise Affirmative Action Program and certified as such by the County) as a subcontractor or a Joint Venture partner, in performing work under contract with the County.

CONTRACT COMPLIANCE REQUIREMENTS

NON-DISCRIMINATION IN CONTRACTING AND PROCUREMENT

Policy Statement: It is the policy of Fulton County Government that discrimination against businesses by reason of the race, color, gender or national origin of the ownership of any such business is prohibited. Furthermore, it is the policy of the Board of Commissioners ("Board") that Fulton County and all vendors and contractors doing business with Fulton County shall provide to all businesses the opportunity to participate in contracting and procurement paid, in whole or in part, with monetary appropriations of the Board. Similarly, it is the policy of the Board that the contracting and procurement practices of Fulton County should not implicate Fulton County as either an active or passive participant in the discriminatory practices engaged in by private contractors seeking to obtain contracts with Fulton County.

In no event shall a subcontractor, sub-consultant or supplier be paid later than fifteen (15) days as provided for by state law.

REQUIRED FORMS AND EBO PLAN:

In order to be compliant with the intent and provisions of the Fulton County Non-Discrimination in Purchasing and Contracting Ordinance (99-0960), Bidders **must** submit the following completed documents. SECTION 7

SCOPE OF WORK AND TECHNICAL SPECIFICATIONS

The Bidders can propose either Bid A (the Stadium Shuttle) or Bid B (Special Transportation Service) or both. The County reserves the right to bid these requirements separately or not to award Bid B.

1. REQUEST FOR BID “A”: STADIUM SHUTTLE

- 1.1 The Stadium Shuttle currently uses three to four passenger transit buses and vans to transport employees and jurors from the Orange Lot. The use of the Turner Stadium Orange Lot is dependent upon the scheduling of the Braves’ games and any other activities scheduled at Turner Stadium. At least one shuttle vehicle must always be operating that is equipped with a wheelchair lift and any other disabled accessibility equipment mandated by the Americans with Disabilities Act.
- 1.2 Where mentioned below, the term Large Transit Bus, as it relates to the Stadium Shuttle, is one that seats a minimum of 39 passengers and must have two entrance and exit doorways on the right side (boarding side) of the bus. Tour Buses do not meet these criteria and will not be appropriate vehicles for shuttle service due to additional time required to board and unload passengers. Use of Tour Busses for the shuttle are only acceptable when approved by the Contract Manager on a day to day basis, and used as a brief substitute while other equipment is being repaired.

2. REQUEST FOR BID “B”: SPECIAL TRANSPORTATION SERVICES

- 2.1 Local bus trips (within 100 miles of Atlanta) are required in support of various programs for Fulton County citizens. These trips may last one (1) to eight (8) hours and occur approximately one (1) workday per week and one (1) weekend day per month.
- 2.2 The vehicles to support these programs may be required to be equipped with a wheelchair lift and any other disabled accessibility equipment mandated by the Americans with Disabilities Act.

3. REQUIREMENTS PERTAINING TO BOTH BIDS “A” and “B”

- 3.1 The Contractor must have the appropriate valid business license to operate as a Transportation Service.

BUS AND SHUTTLE SERVICES

- 3.2 All the pertinent licenses, safety and health inspection documents, and mechanical or operational maintenance credentials must be made available to the County representative.
- 3.3 All licenses and documents regarding operation must be kept current and meet the standards of all applicable Federal, state, county, and city mandated requirements and laws.
- 3.4 Each vehicle should contain all licenses, inspection certificates, and documents as mandated in state, city, county and federal regulations and laws. Such documents must be clearly visible to the occupants of the shuttle bus and vans.
- 3.5 The Contractor shall have in place a system for receiving calls from the GS/T&L Contract Manager, his/her designated representative, and directly from customers during weekday operating hours from 6:30 AM to 7:30 PM. The Contractor shall also provide an emergency phone number for use in contacting the Company's designated representatives outside of weekday operating hours and on weekends.
- 3.6 Should a vehicle malfunction or break down, the Contractor shall immediately advise the GS/T&L Contract Manager as to the need for maintenance or replacement and other details as to service of the equipment or vehicle.
- 3.7 The Contractor will be required to provide any and all equipment needed. This shall include *an appropriate communication system that will enable a dispatcher/individual to remain in contact with each shuttle bus driver.* Contractor will provide and publish to all shuttle users a telephone number for its dispatcher to receive request for dispatches to locations other than the Government Center and Justice Center. Communications with bus drivers is very important as requests for on-call service or reports of non-service, especially after normal business hours, must be directed to drivers in order for the bus operators to satisfy these requirements. Communications must be maintained between 6:30 A.M. and 7:30 P.M., Mondays through Fridays and when special transportation service is required outside of weekday operating hours.
- 3.8 Buses/vans must have operational air conditioning and heating systems.
- 3.9 The Contractor's operational requirements will not always be limited to the transporting of employees and jurors. The contractor and its employees will be occasionally required to distribute Fulton County informational handouts to all passengers.

4. REQUIREMENTS PERTAINING TO BID “A”, STADIUM SHUTTLE

- 4.1 Fulton County reserves the right to add additional stops in the vicinity of the present shuttle routes system to transport employees and jurors to new buildings and activities.
- 4.2 The successful contractor must have the ability to have a replacement bus operating on the County’s shuttle bus route within thirty (30) minutes of notification of an inoperative or unsafe vehicle.
- 4.3 Occasionally, the Fulton County Justice Center will require the presence of jurors after 7:30 P.M. Notification of a late jury transportation requirement will normally be provided by 7:00 P.M. If notified, the shuttle bus will have to remain after 7:30 P.M. in the vicinity of the Justice Center until the jury is dismissed. After driving jurors to the Orange Lot, the shuttle driver can cease operations for the evening. The Vendor must notify the County’s Contract Manager during the next business day as to the time that the driver was released at the Justice Center.
- 4.4 The successful Contractor must have the ability to dispatch a replacement bus within thirty (30) minutes of notification of an inoperative or unsafe vehicle.
- 4.5 A responsible Contractor(s) must be qualified by experience and be in a financial position to provide in a safe and timely manner the highest possible quality bus and shuttle services for approximately 450 to 650 Fulton County employees and jurors on Mondays through Fridays weekly. The transportation system currently in place consists of one (1) to four (4) buses and vans providing transportation between the Turner Stadium Orange Lot and the Fulton County Government Center Complex and uptown. The County reserves the right to include additional routes, locations and/or services during the term of the agreement and any subsequent renewals thereof.
- 4.6 The successful Contractor’s vehicles must display a sign with the name Fulton County Shuttle on three (3) sides of each vehicle. Other advertisement or logos for use inside and outside of the vehicle, or on the driver’s apparel, must meet with the written approval of Fulton County’s GS/T&L Division.
- 4.7 The successful contractor must provide large and mid-size buses that contain either horizontal stanchions or holding straps for passengers who must stand.

BUS AND SHUTTLE SERVICES

- 4.8 The successful Contractor should create an environment that provides a reliable and cost effective transportation service to the County's employees and jurors
- 4.9 Recognizing that the successful operation of the bus and shuttle services(s) operation is dependent on a favorable response from the users of the services, the Contractor will maintain maximum efficiency; promote good public relations with the riders and staff; and sustain a close relationship with the individual designated by the County to serve as the GS/T&L Contract Manager.

County's Right to Withhold Payments: The County may withhold payments for services that involve disputed costs, involve disputed audits, or are otherwise performed in an inadequate fashion. Payments withheld by the County will be released and paid to the Consultant when the services are subsequently performed adequately and on a timely basis, the causes for disputes are reconciled or any other remedies or actions stipulated by the County are satisfied. The County shall promptly pay any undisputed items contained in such invoices.

Payment of Sub-consultants/Suppliers: The Consultant must certify in writing that all sub-consultants of the Consultant and suppliers have been promptly paid for work and materials and previous progress payments received. In the event the prime Consultant is unable to pay sub-consultants or suppliers until it has received a progress payment from Fulton County, the prime Consultant shall pay all sub-consultants or supplier funds due from said progress payments within forty-eight (48) hours of receipt of payment from Fulton County and in no event later than fifteen (15) days as provided for by State Law.

Acceptance of Payments by Consultant; Release. The acceptance by the Consultant of any payment for services under this Agreement will, in each instance, operate as, and be a release to the County from, all claim and liability to the Consultant for work performed or furnished for or relating to the service for which payment was accepted, unless the Consultant within five (5) days of its receipt of a payment, advises the County in writing of a specific claim it contends is not released by that payment.

ARTICLE 41. NON-APPROPRIATION

This Agreement states the total obligation of the County to the Consultant for the calendar year of execution. Notwithstanding anything contained in this Agreement, the obligation of the County to make payments provided under this Agreement shall be subject to annual appropriations of funds thereof by the governing body of the County and such obligation shall not constitute a pledge of the full faith and credit of the County within the meaning of any constitutional debt limitation. The Director of Finance shall deliver written notice to the Consultant in the event the County does not intend to budget funds for the succeeding Contract year.

Notwithstanding anything contained in this Agreement, if sufficient funds have not been appropriated to support continuation of this Agreement for an additional calendar year or an additional term of the Agreement, this Agreement shall terminate absolutely and without further obligation on the part of the County at the close of the calendar year of its execution and at the close of each succeeding calendar year of which it may be renewed, unless a shorter termination period is provided or the County suspends performance pending the appropriation of funds.

ARTICLE 42. WAGE CLAUSE

Consultant shall agree that in the performance of this Agreement the Consultant will comply with all lawful agreements, if any, which the Consultant had made with any association, union, or other entity, with respect to wages, salaries, and working conditions, so as not to cause inconvenience, picketing, or work stoppage.

IN WITNESS THEREOF, the Parties hereto have caused this Contract to be executed by their duly authorized representatives as attested and witnessed and their corporate seals to be hereunto affixed as of the day and year date first above written.
